Top 5 „must try”

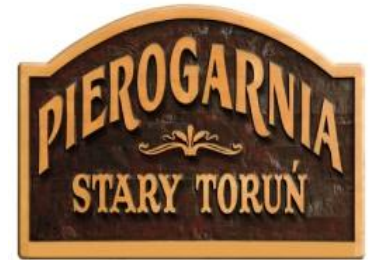

1. PIERNIKI

Traditional Polish gingerbreads (“pierniki” in Polish) have been produced in Toruń since the Middle Ages. The famous ones are “Katarzynki” and the gingerbread hearts, both covered in chocolate. They are made exclusively by the Kopernik Company located in Toruń, and may be purchased in several shops around the Old Town.

2. PIEROGI

Dumplings (“pierogi” in Polish) are a traditional dish in Poland, and can be filled with fruit, meat or vegetables, whatever you fancy! We recommend to try them at “Pierogarnia Stary Toruń”.

3. NALEŚNIKI

According to Toruń's tradition, pancakes ("naleśniki" in Polish) can be sweet or savoury, whichever you like! They are perfect for lunch or as a small snack, and the best place to try them is "Manekin".

4. LODY

Everyone loves ice-cream (“lody” in Polish).

There are many good places serving them, but we recommend “Lenkiewicz”, where the portions are huge and the taste divine!

5. PIWO

Beer (“piwo” in Polish) has been popular in Poland since the pre-historic times. We recommend to try some locally brewed varieties, such as gingerbread beer, at “Jan Olbracht”. <http://www.browar-olbracht.pl/>
